Re: June 24th MSA/SFSK Meeting Follow Up Letter

The Motor Safety Association of Saskatchewan (MSA) and Safe Saskatchewan would like to thank you for taking time from your busy work schedule to attend and/or have representatives from your company attend the June 24th Breakfast Meeting at Conexus Arts Centre, Regina. By all accounts and from the feedback provided in the attached evaluation summary, this gathering was a success in that 100% of those who attended said the meeting was very good or excellent.

It was our hope that by gathering MSA members together on June 24th, it would be another step towards developing a health and safety leadership learning community. Your participation and your response is an indication that the development of this learning community in the automotive & implement sales and service (WCB industry rate code "C61") and automotive service, towing & body shop (WCB industry rate code "C62") industries, continues.

We'd like to continue this discussion and propose that we meet again for breakfast from **7:30 to 9:00 am on Thursday, January 28, 2016 in the Quebec Room of the Conexus Arts Centre**, 200 Lakeshore Drive, Regina. While details have yet to be determined, please mark this date in your calendar, as you can expect to receive an invitation to this 2016 breakfast meeting, and an agenda, closer to that date.

Thank you for your support, and for being a part of this health and safety leadership community

If you have any questions or require additional information please don't hesitate to give either of us a call, or send us an email.

Sincerely,

Marty Cobb
Executive Director
Motor Safety Association
